

2-year Fast Track management apprenticeship

We are an award-winning business with 7 unique Pubs and Restaurants that have grown steadily over the last 20 years and are continuing to grow.

Our vision is

‘to build an outstanding, progressive company with the infrastructure to deliver continuous local business growth through its people.

This means that as a company we know how important our people are and put our energy into nurturing and developing our them within our business personally and professionally.

Why Cambscuisine?

We have the full package with beautiful venues and amazing teams who work relentlessly to create the best experience possible.
We have a winning culture and one in which our teams thrive.
We work hard, are highly professional and love what we do.
We buy local, support local and have our own Community Fund.
Please see Cambscuisine.com for more information.

Fast-track management apprenticeship is designed to make you ready to be an assistant manager with Cambscuisine.

You will work alongside our management team who are not only highly skilled and vastly knowledgeable but also amazing people! They will guide you through your training and development.

The advantage of working and learning with a small group like us is that you will work within the very heart of our business and learn exactly what makes the business tick.

We can offer a personal approach where the senior management team will be engaged and will be on hand to chat or offer advice and guidance when needed.

What we want from you:

- ❖ Positive energy
- ❖ Passionate about customer service
- ❖ Can't do enough to please attitude
- ❖ Have a hunger to learn and develop
 - ❖ Be open to feedback
 - ❖ Enthusiasm
 - ❖ Energy

What you will gain from your apprenticeship.

- ❖ hands-on experience of how a pub/restaurant works
- ❖ Certificated Compliance Training modules
 - ❖ System training
 - ❖ Cellar Management
 - ❖ Product knowledge
- ❖ Advanced Barista training
- ❖ Product supplier site visits
