Dear Sara,

[Thank you so much for your kind grant of £5,000 to East Anglia's Children's Hospices \(EACH\)](#)

On behalf of the children, young people and families we provide care for, thank you for your kind gift of £5,000 towards our care in Cambridgeshire. It is only with the regular and continued generosity of supporters such as Cambridgeshire Community Foundation and the Cambscuisine Community Fund that EACH is able to provide specialist medical and emotional support to children and young people, completely free of charge. Please accept our thanks for your recent donation, and please do pass this thanks on to the Cambscuisine Community Fund.

At EACH we provide care and support to local life threatened children, young people and their families. Our care is aimed at making the most of life, no matter how short it may be. For families accessing care and those who have been bereaved, EACH is a lifeline at an unimaginably difficult time. With your support and commitment we can continue to provide that lifeline to families across East Anglia, helping them to make the most of their precious time together.

If you have any questions about EACH, or there is anything I can help with, please contact me using the details below.

Yours sincerely,

Emily Rose
